

Steam Gift Activation Instruction

1. In order to activate your Steam Gift link, please follow the instructions provided by the seller in your unique activation link.

Remember that the Activation of Steam Gifts may differ from seller to seller. Once you open a Steam Gift Link you'll see a detailed step-by-step activation guide prepared by the seller.

Below you can see an example of such an instruction.

1 Open the Steam Gift Link that you received and log in to your Steam account by using "Login via Steam" button.

By signing into getyourgame.net through Steam:

- Your Steam login credentials will not be shared.
- A unique numeric identifier will be shared with [redacted]. Through this, getyourgame.net will be able to identify your Steam community profile and access information about your Steam account according to your Profile Privacy Settings.
- Any information on your Steam Profile page that is set to be publicly viewable may be accessed by getyourgame.net.

By clicking "Sign In" you agree to this data being shared.

Don't have a Steam account? You can [create an account](#) for free.

2

Check if your Steam store country matches the detected one. If not, choose the right one from the provided list and then press 'Confirm Country'.

The screenshot shows the Steam account page. At the top, there is a navigation bar with the Steam logo, 'STORE', 'COMMUNITY', 'ABOUT', and 'SUPPORT'. Below this, the breadcrumb 'Home > Account' is visible. The main heading is 'account'. On the left, there is a sidebar with 'Account details', 'Preferences', and 'Language Preferences'. The main content area is titled 'STORE & PURCHASE HISTORY' and includes a '+ Add funds to your Steam Wallet' button, a 'Wallet Balance: £0.00', and a message: 'You have no payment methods associated with this account. Add a payment method to this account'. On the right, there are links for 'View purchase history', 'View licenses and product key activations', 'Update store preferences', and 'Country: United Kingdom'. Below this, there is a section for 'CONTACT INFO' with links for 'Manage Email Preferences' and 'Add a phone number'.
